

Online Learning Counselor Approval Form

The Bridge Academy(TBA) is a full-time High School and GED Prep Program for students 16-24 years old who partners with school districts to help extend the learning for students who may be behind and need to earn additional credits. TBA is fully accredited through AdvancED/SACS - Southern Association of Colleges and Schools. TBA envisions itself as a bridge to lead urban youth to lifelong educational and career opportunities-- empowering students to be positive, contributing members of society.

TBA offers both transfer credit as well as credit recovery classes allowing students enrolled in traditional schools to earn additional credits needed for graduation. We offer a wide range of courses including all core courses, foreign languages, CTAE and a variety of electives. This is a computer-based, independent-study program with some tutoring support offered as needed.

All transfer credits and credit recovery classes must be approved by the student's home school by completing the form below. Student transcripts will be mailed to each school upon completion of work. Please provide below the email address of the counselor to whom the transcript needs to be remitted.
